

Little Blue Truck

Written by Alice Schertle, Illustrated by Jill McElmurry

Bunting Flags

Print enough pages of flags to run the length of your banner. Cut out the flags. Lay flags out upside down, and in the order you want them to hang. Cut a piece of string long enough to hold all your flags. Lay the string across the back of the flags and fold the top flat edge back over the string. Use tape to secure. Hang your banner and you're ready to party!
